

241(j). No barbitol or any other hypnotic or somnifacient drug as defined herein shall be sold at retail or dispensed to any person in the State of Maryland, except upon the written prescription of a duly licensed physician, dentist, or veterinarian, and no pharmacist shall dispense any such drug without affixing to the container in which the drug is sold or dispensed, a label bearing the name and address of the pharmacist, the date compounded and the consecutive number of the prescription under which it is recorded in his prescription files, together with the name of the physician, dentist or veterinarian prescribing it, and the directions for the use of the drug as given upon said prescription of the physician, dentist, or veterinarian.

241(k). No manufacturer, pharmacist, jobber or other dealer in drugs shall sell or have in his possession barbitol or any other hypnotic or somnifacient drug, unless the container bears a label securely attached thereto, stating conspicuously in printed words the specific name of the barbitol or other hypnotic or somnifacient drug and the proportion or amount thereof. Such label shall not be necessary when such a drug is dispensed by a pharmacist upon a prescription and the container is labeled in the manner prescribed in Section 241(j).

241(l). For the purposes of this Act, the term "barbitol" shall be held to mean and include, the salts of barbituric acid, also known as malonylurea, or any derivative or compounds or any preparations or mixtures thereof containing more than ten grains to the avoirdupois or fluid ounce of the said substance. And the term "other hypnotic or somnifacient drug" shall be held to mean and include, sulphonethylmethane (Trional) or sulphonmethane (Sulphonal) or diethyl-sulphone, diethyl-methane (Tetronal), or paraldehyde or any derivatives or compounds or any preparations or mixtures thereof containing more than ten grains to the avoirdupois or fluid ounce of the said substances and chloral or chloral hydrate, or chlorbutanol or any compounds or mixtures thereof containing more than ten grains to the avoirdupois or fluid ounce of the said substances when such chloral or chloral hydrate or chlorbutanol or compounds or mixtures thereof are to be used internally.

The provisions of this Section shall apply to any of the above mentioned drugs, or any derivatives or compounds or any preparations or mixtures thereof, as above
